

Set in its own mature and landscaped gardens, the Corinthia Palace Hotel & SPA, is the perfect base from where to explore the island. With a 100 year old restored villa as its main dining venue, this boutique hotel is all about warmth, personal attention, and old fashioned elegance - a breath of fresh air, in today's world of impersonal hotels. Within the hotel's gardens, the Athenaeum Spa by Algothem offers an escape into a world of bliss and relaxation, with a choice of over 50 different signature treatments, and extensive Spa facilities.
